2 I'm a Nevada resident for 10 years. I just  
3 want to say I'm in favor of nuclear storage in Nevada.  
4 Nevada has a long history of working with nuclear power  
5 and I feel that it's in Nevada's best interest to  
6 continue that by having storage here. And to have a  
7 "not in my backyard" attitude at this point is  
8 hypocritical. That's it.
